

AMIDOL

Metal Surface Protection

AREA OF APPLICATION

Can be applied to all metal surfaces, especially polished stainless steel.

For effective protection of vertical surfaces in kitchens, such as cupboard doors, walls, dishwashers, extractor hoods, stove covers.

APPLICATION

Spray AMIDOL to a soft, clean cloth and apply sparingly to surfaces. For intense dirt, wash and dry surfaces beforehand.

To remove fingerprints, simply wipe over with a clean, dry cloth (e.g. disposable kitchen cloth).

PRODUCT CHARACTERISTICS

- Effective metal protection
- Prevents and removes fingerprints and greasy residues
- Dirt-repellant
- Smooth, glossy finish
- Shines without polishing
- Easy and safe to use
- HACCP conform

NOTE

Must not be applied to surfaces that come into contact with food.

INGREDIENTS
